

Redeem your Easy Charging credit

1. During the ordering process inform the Retailer that you'd like to opt for the £700 Easy Charging credit.
2. Once handover of your CUPRA Born V1 is complete, contact **CUPRA Customer Service** on **0800 049 7106** for your unique voucher code.
3. Search for and download the **My CUPRA** and **Easy Charging** mobile apps from your mobile device app store.
4. Set up **My CUPRA** with your vehicle allowing you to access the internet connected features of your CUPRA Born.
5. Set up **Easy Charging** app where you will also pair your new CUPRA Born and select your Easy Charging tariff depending on your charging requirements. There is a free tariff and also a choice of paid tariffs, each offering access to public charging at different rates. Note the credit cannot be used against monthly tariff charges.
6. Apply your voucher code in the Easy Charging mobile app to add the £700 charging credit.
