CUPRA
COLLABORATIONS

CUPRA COLLABORATIONS

PARAMETRIC BRACELET

S / M L / XL

A refined expression of CUPRA design, this bracelet by MAM pairs ruthenium's rare strength and beauty with a copper-based alloy enriched with low-carat gold, capturing our signature tone.

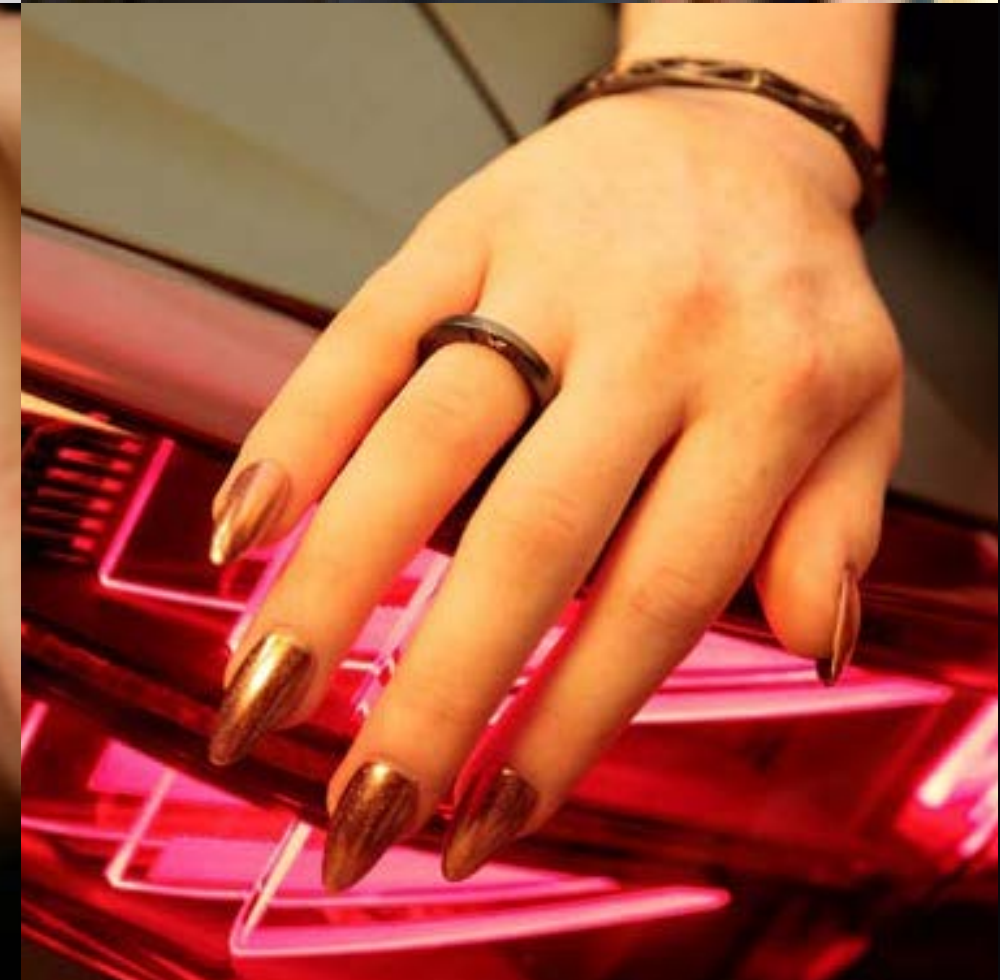

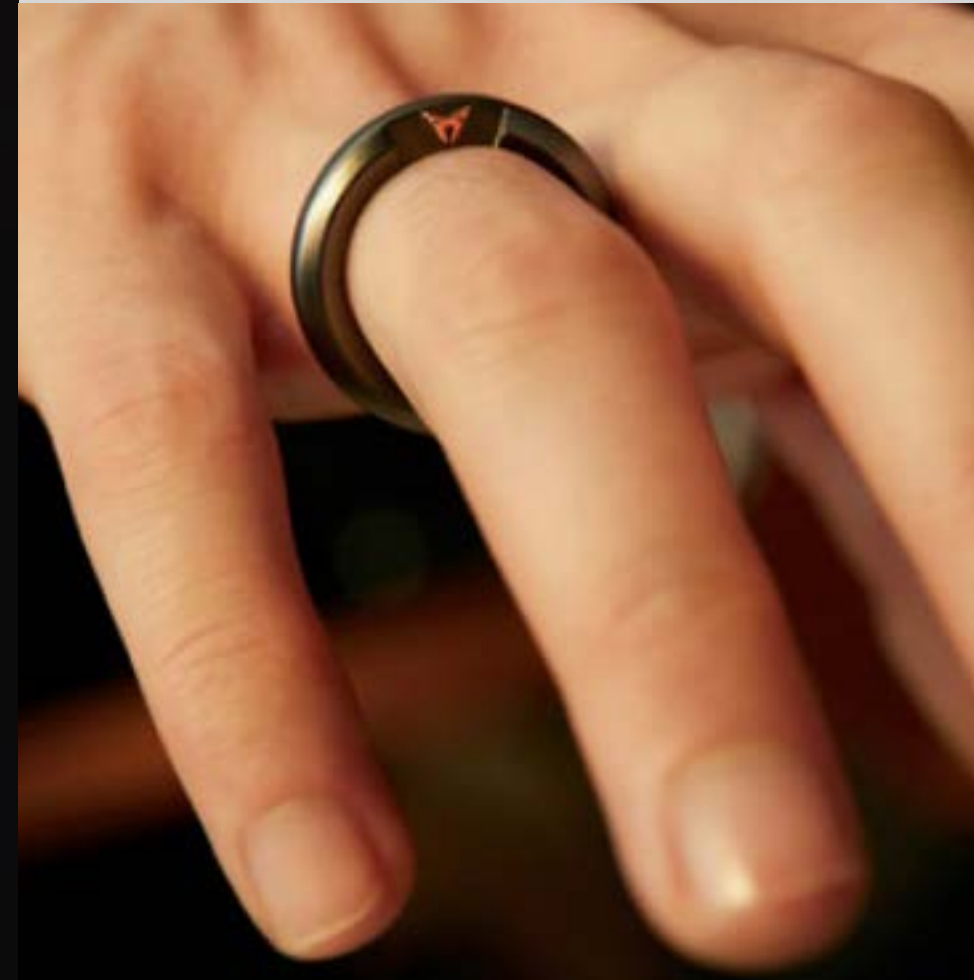

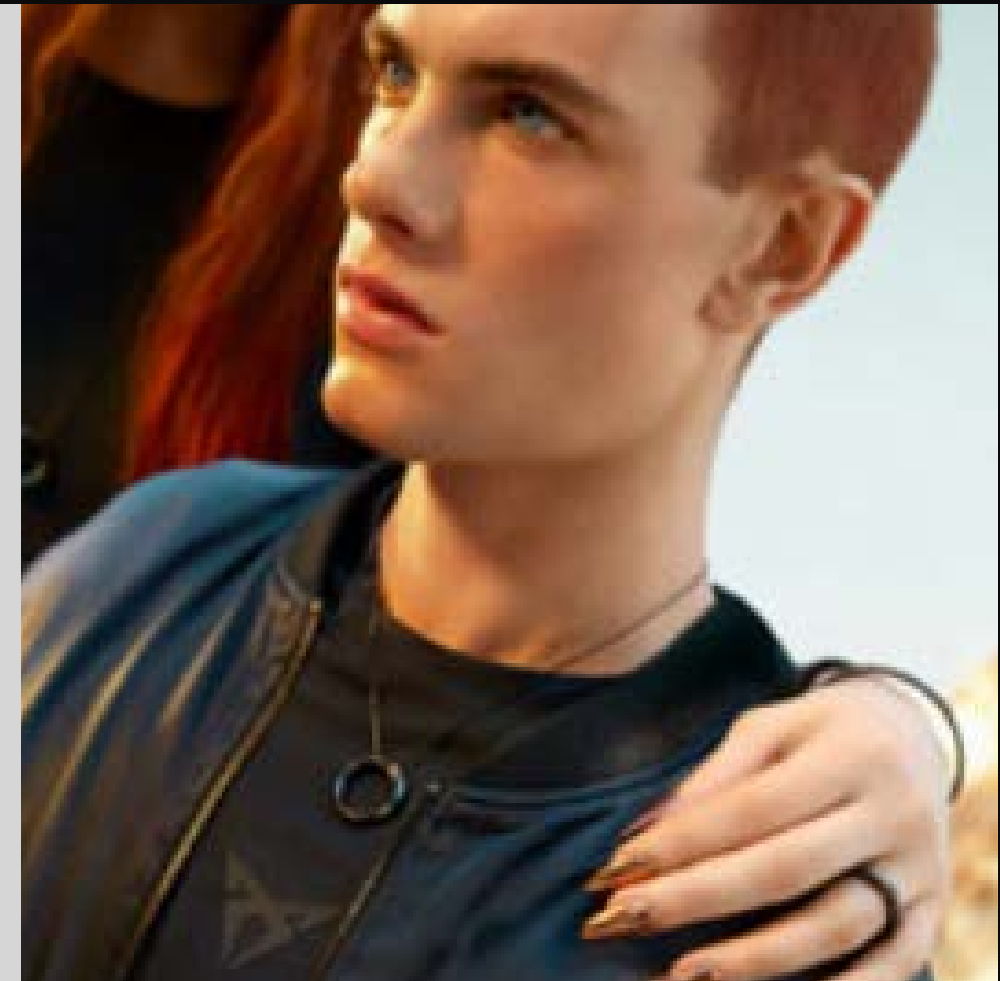

BRACELET VORONOI

ONE SIZE

Adjustable ruthenium bracelet with a CUPRA logo in copper and low-carat gold. Its Voronoi-inspired design reimagines the brand's triangular emblem, echoing Barcelona's creative DNA and Gaudí's architectural influence.

Available in one size, but the fit is adjustable.

RING AND CHAIN

S / M L / XL

Copper ring shaped by the twisted form of an Allen key, transforming an automotive detail into a distinctive piece. Partnered with a chain for optional wear as a necklace.

BLACK CHISPA LAMP

CHISPA by CUPRA is a sleek lighting piece, combining Marset's expertise with CUPRA's design language. With a rotatable grille, adjustable lighting and a warm copper-toned glow, it offers versatility through its adjustable hanging system and durable USB-C charging.

Material: Polycarbonate / Polyethylene diffuser

DIPPING LIGHT

DIPPING LIGHT by CUPRA unites sculptural design with Maset's refined craftsmanship. Its hand-dipped glass creates a striking gradient, complemented by a metallic copper base. With three light settings and a rechargeable battery, it delivers up to 20 hours of ambient illumination, blending artistic expression with CUPRA's distinctive aesthetic.

Material: Hand-dipped glass / Copper base
