*BIK value is based on WLTP CO₂'s and applicable from 01/07/2025.
The Recommended 'On The Road' price includes delivery charge to Retailer and number plates, one year's Road Fund Licence at the 1st year rate (£0 – £5,490 depending on the CO₂ output of the vehicle), and the new vehicle registration fee (£55). VAT is calculated at 20.0%. CUPRA may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen CUPRA Retailer. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

CONNECTED BEYOND THE PHYSICAL

FORGOT WHERE YOU'VE PARKED?

Simply open the My CUPRA app and you will be able to easily locate your vehicle in cities or large parking areas.

The GPS coordinates will give you the exact address and you are then able to navigate to it through the easy to use map.

IS MY CAR SECURE?

For those moments when you're unsure if you've locked your car.

Through the My CUPRA app, authorised users can see and control the lock status of the doors and boot.

IS MY SOFTWARE UP TO DATE?

Just like your mobile phone, your CUPRA also requires regular software updates.

You will be notified of any Over-the-Air updates (OTA) when they become available. These updates ensure that your CUPRA's software remains up to date and installs new features without the need to visit a workshop.

WHEN IS MY SERVICE DUE?

You have enough things in your head to have to remember your next car service.

Activate automatic service scheduling and your chosen authorised service partner will contact you as soon as your vehicle detects the need of a service (inspection or relevant warning light).

TAKE YOUR CONNECTIVITY TO THE MAX

Just download the My CUPRA App, create an account with your personal data and introduce the chassis number of your car located on the left side of the windscreen. In only a few minutes, you will have your CUPRA in the palm of your hand.

WARRANTIES

FIVE-YEAR MANUFACTURER WARRANTY

All new CUPRA's ordered on or after 03/04/2024 in the UK, come with a five year/90,000 mile warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage, plus a further three years up to a maximum of 90,000 miles (whichever is soonest).

THREE-YEAR PAINT WARRANTY

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

12-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this price list are covered against corrosion originating from internal cavities for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24-month parts warranty.

CUPRA ROADSIDE ASSISTANCE (INCLUDING EUROPEAN COVER)

Any new CUPRA purchased and registered in the UK from an authorised CUPRA Retailer is covered free by CUPRA Roadside Assistance (including European Cover) for roadside repairs or recovery to an authorised repairer for a term of one year. Terms and conditions apply.

SPECIFICATIONS

Specifications refer to Model Year 2026. While CUPRA makes every effort to make sure that specifications are accurate at the time of going to press (07/25), you should always check details with your CUPRA Retailer as there may have been changes in view of CUPRA's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

CUPRA CARE PLAN

DESIGNED TO LOOK AFTER YOUR CUPRA AND YOU.

DRIVE THE DIFFERENCE.
SERVICING AND MAINTENANCE FOR CUPRAS UP TO 12 MONTHS OLD.

Take caring for your CUPRA to the next level with a plan designed to suit a car as unique as yours.

With three levels of care, you can choose the package that suits your individual needs. A CUPRA Care Plan* makes sure your car is always operating at peak performance because we only use CUPRA Genuine Parts, fitted by our trained CUPRA Specialists.

The great thing about a CUPRA Care Plan is no matter what level of care you choose, you'll receive:

- Complimentary collection and delivery**
- CUPRA courtesy clean
- A video of your CUPRA service
- A minimum of 10% off merchandise

And by spreading the cost into manageable monthly payments, starting from just £14.54 a month (on plans activated within 90 days of new car registration), you can make caring for your CUPRA that bit easier.

*Available for CUPRA vehicles up to 12 months old only. Price valid until 30/09/2025. Battery electric vehicles excluded. T&Cs apply. Servicing must be carried out in line with the requirement of the service schedule. Offer excludes vehicles with performance brakes with front Brembo calipers. All work must be carried out at an authorised CUPRA Retailer. Excludes additional remedial work outside of the plan inclusions. Offer may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by SEAT Financial Services.

**Collection & delivery subject to Retailer availability. Drop off and collection, loan car or courtesy lift may also be offered as an alternative to help keep you moving.

HOW TO CALCULATE YOUR LIABILITY

The BIK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2025/26.

Model shown: CUPRA Ateca VZ3 in Graphite Grey

BIK CALCULATION EXAMPLE: CUPRA ATECA V1 1.5 ECOTSI DSG-AUTO 150PS

P11D value (OTR Price price less RFL and first registration fee)	£36,410.00
WLTP CO ₂ emissions (g/km)	153
Company car BIK tax based on CO ₂ emission level	36%
Taxable BIK (for 2025/26 tax year): 36% of £36,410.00	£13,107.60

ANNUAL COMPANY CAR TAX 2025/26 (@ 20% INCOME TAX)

20% of £13,107.60	£2,621.52 per annum
-------------------	---------------------

MONTHLY COMPANY CAR TAX 2025/26 (@ 20% INCOME TAX)

£2,621.52 divided by 12	£218.46 per month

3. Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

YOUR TYRE LABEL

They may not be the first part of your CUPRA you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know. Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

You'll see more in-depth information on your tyres while configuring your car. Click **here** to start building your CUPRA now.

ENERGY EFFICIENCY

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your energy consumption, with tyres rated as Class-A being the most efficient.

WET GRIP

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with Grade-A giving the shortest stopping distance.

EXTERNAL NOISE

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise Class-A being the quietest and C the loudest.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While CUPRA makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised CUPRA Retailer for the latest information. Due to limitations of the printing process, the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled / recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
