VIEW FULL SPEC

Under the bonnet of the CUPRA Formentor VZ5 is the iconic 2.5-litre TSI five-cylinder engine, delivering 390PS (287kW) and 480 Nm of torque, a top speed of 174 mph, and re-calibrated to deliver an even more emotive experience. Paired with a seven-speed DSG dual-clutch transmission and CUPRA's all-wheel drive system, and with integrated torque splitter technology, the VZ5 offers precision power distribution across all four wheels, including lateral torque control for enhanced cornering stability.

e-HYBRID BENEFITS

FREEDOM TO MOVE

An all electric range of up to 77 miles allows for emission-free urban driving.

LOWER TAXATION

Formentor e-HYBRID models have a 7% Benefit in Kind (BiK) taxation. Lower than their equivalent combustion engine counterparts.

EFFICIENT AND CONNECTED CHARGING SOLUTIONS

Charge with either a DC fast-charger or at home with an AC wallbox. Being able to charge from 10-80% on a 50Kw fast charger in 26 minutes whilst also monitoring activity via your smartphone with CUPRA CONNECT.

Formentor e-HYBRID comes with a MODE 2 (3-pin) and a MODE 3 (charging station) cable as standard.

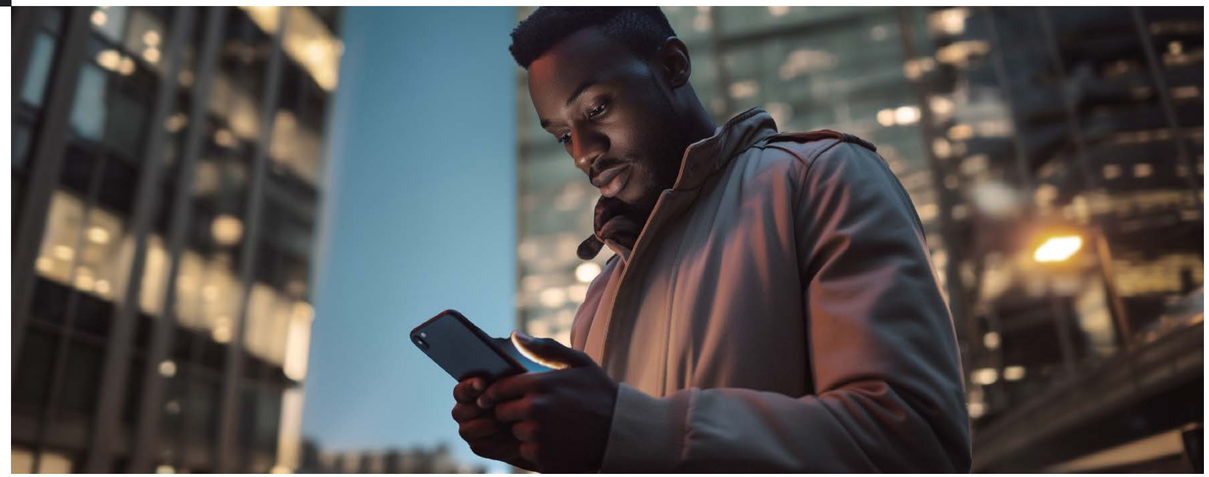
GO FURTHER FOR LESS

e-HYBRID can achieve up to 201* miles per gallon making them more fuel efficient than pure combustion engines.

BEST OF BOTH WORLDS

Choose from either our 204PS or 272PS e-HYBRID powertrains.

Drive in three modes: All electric; pure TSI engine; or a combination of the two.



*WLTP combined MPG.

CONNECTED BEYOND THE PHYSICAL

FORGOT WHERE YOU'VE PARKED?

Simply open the My CUPRA app and you will be able to easily locate your vehicle in cities or large parking areas.

The GPS coordinates will give you the exact address and you are then able to navigate to it through the easy to use map.

IS MY CAR SECURE?

For those moments when you're unsure if you've locked your car.

Through the My CUPRA app, authorised users can see and control the lock status of the doors and boot.

DETERMINE YOUR IDEAL TEMPERATURE

On those cold winter mornings, you'll no longer need to sit in your car while you wait for it to warm up and defrost.

With its remote temperature control, you can program the perfect temperature you want when sitting at the wheel, defrosting the windows in the process*.

WHEN IS MY SERVICE DUE?

You have enough things in your head to have to remember your next car service.

Activate automatic service scheduling and your chosen authorised service partner will contact you as soon as your vehicle detects the need of a service (inspection or relevant warning light).

*Feature only available on e-HYBRID and fully electric models.

TAKE YOUR CONNECTIVITY TO THE MAX

Just download the My CUPRA App, create an account with your personal data and introduce the chassis number of your car located on the left side of the windscreen. In only a few minutes, you will have your CUPRA in the palm of your hand.

ENROL YOUR CUPRA TO CONNECT

^Tribe Edition are not available for new Factory orders, from stock only.

*BiK value is based on WLTP CO_2 and applicable from 01/07/2026.
The Recommended 'On The Road' price includes delivery charge to Retailer and number plates, one year's Road Fund Licence at the 1st year rate (£10 – £5,690 depending on the CO_2 output of the vehicle), and the new vehicle registration fee (£55). VAT is calculated at 20.0%. CUPRA may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen CUPRA Retailer. Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 01/07/2026. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

3. Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures.
These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 01/07/2026.
Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.
All figures are calculated excluding the charging cable.

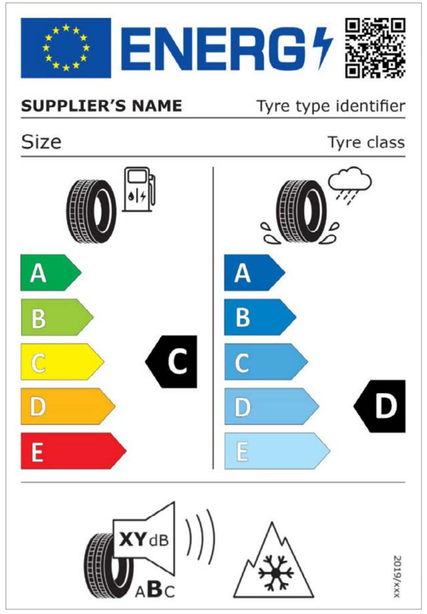
YOUR TYRE LABEL

They may not be the first part of your CUPRA you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know. Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

You'll see more in-depth information on your tyres while configuring your car. Click **here** to start building your CUPRA now.



ENERGY EFFICIENCY

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your energy consumption, with tyres rated as Class-A being the most efficient.

WET GRIP

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with grade A giving the shortest stopping distance.

EXTERNAL NOISE

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise Class-A being the quietest and C the loudest.

VEHICLE EXCISE DUTY

All new vehicles are subject to a form of Vehicle Excise Duty (VED) based on the type of fuel the vehicle uses and its carbon dioxide (CO_2) emission level, measured in grams per kilometre (g/km). The table below illustrates the duty you will pay based on the DVLA bandings.

The standard rate for Petrol, Diesel and Alternative Fuel Vehicles is £200. Please be aware vehicles with a list price (RRP), including options, higher than £40,000 will incur an additional £440 a year in vehicle tax. Different thresholds apply for zero emissions cars.

For full details please refer to **gov.uk/vehicle-tax-rate-tables**

12-MONTH ROAD FUND LICENCE (RFL) RATE FOR PETROL, DIESEL AND ALTERNATIVE FUEL VEHICLES

CO_2 g/km	1ST YEAR RATE PETROL/ALTERNATIVE FUEL VEHICLES (AFV)
0	£10
1	£115
51	£135
76	£280
91	£365
101	£405
111	£455
131	£560
151	£1,410
171	£2,270
191	£3,420
226	£4,850
256	£5,690

CARS REGISTERED ON OR AFTER 1 APRIL 2026

BENEFIT IN KIND TAX

HOW TO CALCULATE YOUR LIABILITY

The BIK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2026/27.

BIK CALCULATION EXAMPLE:
CUPRA FORMENTOR V1 e-HYBRID DSG-AUTO 204

P11D value (OTR Price less RFL and first registration fee)	£41,860.00
WLTP CO_2 emissions (g/km)	32
Company car BIK tax based on CO_2 emission level	7%
Taxable BIK (for 2026/27 tax year): 7% of £41,860.00	£2,930.20

ANNUAL COMPANY CAR TAX 2026/27 (@20% INCOME TAX)

20% of £2,930.20	£586.04 per annum

MONTHLY COMPANY CAR TAX 2026/27 (@20% INCOME TAX)

£586.04 divided by 12	£48.84 per month

WARRANTIES

FIVE-YEAR MANUFACTURER WARRANTY

All new CUPRA's ordered on or after 03/04/2024 in the UK, come with a five year/90,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage, plus a further three years up to a maximum of 90,000 miles (whichever is soonest).

THREE-YEAR PAINT WARRANTY

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

12-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this price list are covered against corrosion originating from internal cavities for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

CUPRA ROADSIDE ASSISTANCE (INCLUDING EUROPEAN COVER)

Any new CUPRA purchased and registered in the UK from an authorised CUPRA Retailer, is covered free by CUPRA Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of one year.
Terms and conditions apply.

SPECIFICATIONS

Specifications refer to Model Year 2026. While CUPRA makes every effort to make sure that specifications are accurate at time of going to press (07/2026), you should always check details with your CUPRA Retailer as there may have been changes in view of CUPRA's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

CUPRA CARE PLAN

DESIGNED TO LOOK AFTER YOUR CUPRA AND YOU

DRIVE THE DIFFERENCE
SERVICING AND MAINTENANCE FOR CUPRA'S UP TO 12 MONTHS OLD

Take caring for your CUPRA to the next level with a plan designed to suit a car as unique as yours.

A CUPRA Care Plan* makes sure your car is always operating at peak performance because we only use CUPRA Genuine Parts, fitted by our trained CUPRA Specialists.

One of the great things about a CUPRA Care Plan is that you'll receive:

- Complimentary delivery and collection**
- CUPRA courtesy clean
- A video of your CUPRA service

And by spreading the cost into manageable monthly payments, starting from just £12.46 a month (on plans activated within 90 days of new car registration), you can make caring for your CUPRA that bit easier.

*Available for CUPRA vehicles up to 12 months old. Drive valid from 16/12/2025 until 31/12/2026 for 0-90 day plans and 06/01/2026 until 04/01/2027 for 91-364 day plans. Excludes electric vehicles. Servicing must be carried out in line with the requirements of the service schedule at a CUPRA UK Authorised Repairer. Additional work, including wear and tear, is excluded. Service Plan validity is dependent on required payments received. SEAT Financial Services.
**Collection & delivery subject to Retailer availability. Drop off and collection, loan car or courtesy lift may also be offered as an alternative to help keep you moving.
