E-HYBRID BENEFITS

FREEDOM TO MOVE

An all electric range of up to 73 miles allows for emission-free urban driving.

LOWER TAXATION

Terramar e-HYBRIDs have a Benefit in Kind (BiK) taxation from 6% and lower Road Fund Licence (RFL) than their equivalent combustion engine counterparts.

EFFICIENT AND CONNECTED CHARGING SOLUTIONS

Charge with either a DC fast-charger or at home with an AC wallbox. Being able to charge from 10-80% on a 50kW fast charger in 26 minutes whilst also monitoring activity via your smartphone with CUPRA CONNECT.

Terramar e-HYBRIDs comes with a Mode 2 (3-pin) and a Mode 3 (charging station) cable as standard.

GO FURTHER FOR LESS

e-HYBRID can achieve up to 176* miles per gallon making them more fuel efficient than pure combustion engines.

BEST OF BOTH WORLDS

Choose from either our 204PS or 272PS e-HYBRID powertrains.

Drive in three modes: All electric; pure TSI engine; or a combination of the two.

*WLTP combined MPG.

*BiK value is based on WLTP CO₂ and applicable from 06/01/2026.
The Recommended 'On The Road' price includes delivery charge to Retailer and number plates, one year's Road Fund Licence at the 1st year rate (£0 – £5,490 depending on the CO₂ output of the vehicle), and the new vehicle registration fee (£55). VAT is calculated at 20.0%. CUPRA may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen CUPRA Retailer. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 06/01/2026. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

CUPRA CONNECT

Get the most out of your new CUPRA by downloading the My CUPRA app. CUPRA CONNECT's innovative services and functions connect you with your CUPRA and the world. The app lets you connect your phone to your CUPRA and allows you to seamlessly access crucial driving data and information about your vehicle. For instance, you can check if all your car's doors are locked from wherever you are, or you can see where exactly you've parked your CUPRA.

CUPRA CONNECT offers a wide range of safety and comfort functionalities that enhance your experience in and out of your CUPRA. The standard CUPRA CONNECT services are available free for all CUPRA owners.

The CONNECT services can be operated only by using available public communication technologies. Please note that due to the development of these technologies, especially mobile networks, we cannot guarantee consistent availability in all countries for the duration of CONNECT services. Possible changes in technology may cause permanent unavailability of them.

Please note: The availability of CUPRA CONNECT services may vary depending on your vehicle and vehicle equipment.

CUPRA CONNECT

CUPRA CONNECT enables access to multiple features and benefits including:

VEHICLE STATUS

- Driving data
- Vehicle health report

COMFORT

- Parking position
- Personalisation

REMOTE AND CONTROL

- Anti-theft alert
- Remote lock and unlock

STREAMING

- Internet radio

SAFE AND SECURE

- Service scheduling

WARRANTIES

FIVE-YEAR MANUFACTURER WARRANTY

All new CUPRAs ordered on or after 03/04/2024 in the UK, come with a five-year/90,000 mile warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage, plus a further three years up to a maximum of 90,000 miles (whichever is soonest).

THREE-YEAR PAINT WARRANTY

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

12-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this price list are covered against corrosion originating from internal cavities for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24-month parts warranty.

CUPRA ROADSIDE ASSISTANCE (INCLUDING EUROPEAN COVER)

Any new CUPRA purchased and registered in the UK from an authorised CUPRA Retailer is covered free by CUPRA Roadside Assistance (including European Cover) for roadside repairs or recovery to an authorised repairer for a term of one year. Terms and conditions apply.

SPECIFICATIONS

Specifications refer to Model Year 2026. While CUPRA makes every effort to make sure that specifications are accurate at the time of going to press (01/26), you should always check details with your CUPRA Retailer as there may have been changes in view of CUPRA's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

CUPRA CARE PLAN

DESIGNED TO LOOK AFTER YOUR CUPRA AND YOU

**DRIVE THE DIFFERENCE
SERVICING AND MAINTENANCE FOR CUPRAS UP TO 12 MONTHS OLD**

Take caring for your CUPRA to the next level with a plan designed to suit a car as unique as yours.

A CUPRA Care Plan* makes sure your car is always operating at peak performance because we only use CUPRA Genuine Parts, fitted by our trained CUPRA Specialists.

One of the great things about a CUPRA Care Plan is that you'll receive:

- Complimentary delivery and collection**
- CUPRA courtesy clean
- A video of your CUPRA service

And by spreading the cost into manageable monthly payments, starting from just £12.46 a month (on plans activated within 90 days of new car registration), you can make caring for your CUPRA that bit easier.

*Available for CUPRA vehicles up to 12 months old. Prive valid from 16/12/2025 until 31/12/2026 for 0-90 day plans and 06/01/2026 until 04/01/2027 for 91-364 day plans. Excludes electric vehicles. Servicing must be carried out in line with the requirements of the service schedule at a CUPRA UK Authorised Repairer. Additional work, including wear and tear, is excluded. Service Plan validity is dependent on required payments received. SEAT Financial Services.

**Collection & delivery subject to Retailer availability. Drop off and collection, loan car or courtesy lift may also be offered as an alternative to help keep you moving.

YOUR TYRE LABEL

They may not be the first part of your CUPRA you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know. Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

You'll see more in-depth information on your tyres while configuring your car. Click **here** to start building your CUPRA now.

ENERGY EFFICIENCY

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your energy consumption, with tyres rated as Class-A being the most efficient.

WET GRIP

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with Grade-A giving the shortest stopping distance.

EXTERNAL NOISE

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise Class-A being the quietest and C the loudest.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While CUPRA makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised CUPRA Retailer for the latest information. Due to limitations of the printing process, the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
